

The TIRADO FAMILY

SERVING IN THE DOMINICAN REPUBLIC

March 24, 2018

Dear Pastor and Praying Friends,

PRAISE

"Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light: Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: In whom we have redemption through his blood, even the forgiveness of sins." (Colossians 1:12-14) What a great blessing and joy it is for every born-again child of God to enjoy the liberty, which we have in Christ Jesus! We have been rescued from the power of darkness and have been translated into the kingdom of Christ! It just doesn't get any better than that! What an awesome privilege and honor it is for us to serve God's dear Son here in the Dominican Republic. We are happy to report to you that 11 precious souls were delivered from the power of darkness and translated into the kingdom of God's dear Son since our January prayer letter! On February 27, our church held a special service, celebrating the independence of the Dominican Republic. We are happy to enjoy the freedoms to assemble freely, to preach the Gospel of Christ, and to serve our Saviour Jesus Christ.

PRAYER

Please pray for the spiritual growth and faithfulness of our new converts. On a personal note, please continue to pray for the health of my 83-year-old mother, Guadalupe Tirado, who has memory issues and was recently admitted to the hospital for a few days for a physical issue.

Looking forward towards future growth, please join us in prayer for a property to build on or a building to purchase that could easily be remodeled. A permanent building would be a blessing to the church and community.

GRATITUDE

We thank God for you and thank you for your Christian love so openly demonstrated for our ministry and family over the years. My family is honored to partner with you in reaching lost souls and training them right here where God has planted us. We appreciate each prayer lifted up to God's throne on our behalf and for the generous monetary offerings given to us.

Elisabeth turned 11 years old on February 7 and would like to thank each church and individual who sent her birthday cards and greetings.

For souls,

Roberto Tirado
