Dear Friends and Supporting Churches,

***“And let us not be weary in well doing . . .” (Galatians 6:9)***

We are happy once again to report to you from Guatemala to share with you our needs and prayer requests. Our profound and heartfelt thanks goes to Brother Paul Deem of Direct Line Ministry in Tennessee. Brother Deem was personally responsible for sending a shipping container full of Bibles and John and Romans booklets for distribution to the Guatemalan people. Last week I loaded the bus and drove to the city of Quetzaltenango in Southwestern Guatemala, where Pastor Ruben Acabal was waiting for this literature to distribute in all the villages around his church. This week I am planning to make another delivery to Huehuetenango, which is almost nine hours away from Guatemala City, where Pastor Gaspar and others are expecting us.

Some days ago, we went to San Jose Pinula (village of Puerta Negra), armed with John and Romans booklets to pass out. As a result, a man and his wife, Anibal and Ericka, came to church because of this. Adan Herrera is another man who got saved, and he is coming to church also. I thank God for these people who have been reached in our area with the printed materials.

I am thankful for the bus that God has given us to make these deliveries with, but the bus is subject to costly breakdowns. Please pray that it will not break down while I am doing this good work. Thank you.

**CRISTO REY:** This week in Cristo Rey, we will be holding the first Vacation Bible School we have had here in years. This VBS will be held on the school grounds of the local public high school here. Please pray that God will be glorified through this effort.

**ONE FINAL NOTE:** We are experiencing a rash of thefts here in Cristo Rey. So far, we have lost a P.A. system, a refrigerator, and some other items. Please pray that God will intervene and stand in the way against those responsible for this.

Again, thank you for your prayers, friendship, and support. We want to wish all of you a happy Thanksgiving and Christmas season.

Sincerely,

Angel Lopez
