"I was thirsty, and ye gave me drink"

(Matthew 25:35)

MYANMAR

We have a good Myanmar report on chlorine generators from Khamh Lian Thang.

Six indigenous missionaries were each given a chlorine generator, and they will be serving more than 1,800 families in the Mai Pan District, Shan State. Please see the inserted photo image.

Nepal rural villages are drinking sewage water from animals and people, but this is made safe to drink with 25 installed chlorine generators.

Mark Bosje, Tom Vogel, and I will be installing Khlor Gen-Systems and giving living water to those in Viet Nam, Cambodia, Laos, and Thailand this December.
