

THE NUÑEZ FAMILY MISSIONARIES TO VENEZUELA

December 2018

Dear Pastor and Praying Friends,

Thank you, dear friends, for your prayers. We are doing well. Last month I went to see the doctor for a routine check on my high blood pressure and to get my medication resupplied. The doctor, after performing an EKG, found some irregularity with my heart. This week I will be going to see a cardiologist. Please pray that everything goes well. Please pray also that I will be able to return to Venezuela at the beginning of February.

The church is doing well; some members are still faithful to the church. Even with all the crises the country is going through, they are still going soul winning and bringing visitors.

Our church did very well soul winning this past year; our church is a soul-winning church. They are very faithful about spreading the Gospel of the Lord Jesus. Please keep praying for us that we never lose that blessing. I, as the pastor of the church, did my part by leading 628 souls to the Lord last year. I do not know how it is going to be this year, but I pray for the strength and health to do better.

Please keep praying for Venezuela. The situation there is getting more difficult. Maduro is no longer the president of Venezuela. New changes are coming, and we are praying that things get better for everybody.

The church had 3,586 souls saved and 18 baptized during 2018. Praise the Lord! Amen!

Prayer Requests:

- For health and safety
- For the Lord to supply the monthly support that we need
- For the salvation of the people of Venezuela

Sincerely,

The Nunez Family
