January 2019

Dear Friends and Supporting Churches,

"If ye love me, keep my commandments." (John 14:15)

Glory to God! We started a new year with new goals and new plans. You are the ones God is using to keep us on the field through your steady, faithful prayers and your financial support. Thank you for giving us your confidence and the opportunity of being your co-laborers in Guatemala.

We are excited for the opportunities that lie ahead for the year 2019 as we visit, win souls, and preach the Gospel. Please pray that our church family will remain steadfast and loyal in the work, for there is much to be done.

CRISTO REY: Mr. Oseas, the public high school principal here, says that he wants us to teach a Bible class to all of his high school students during this school year. Please pray for this work at the public school.

Early in the month of March, we expect to host a nationwide Baptist Youth Leadership Conference here. We will send an invitation to all young people of Baptist churches to attend this conference.

MEDICAL: The heel bone of my left foot has a bone spur that is growing in size, and now I can hardly walk because of the pain caused by this bone spur. Doctors say that this problem can be corrected with surgery. Please pray that I will be able to have this surgery done soon.

Thank you also for your prayers for those in my family who have suffered health collapses lately (my wife, my daughter, and I). Thank you so much for your continuing prayers for my and my family's health. We love you all.

Sincerely,

Angel Lopez
Guatemala
