

the Newton family

January 2019

Dear Pastors and Friends,

This past year has been awesome! We've experienced a lot, and we've learned a lot through our traveling on deputation. We pray that you all had a wonderful Christmas and a Happy New Year. It was a blessing to spend Christmas with family. We want to thank our current supporters for your faithfulness. We praise the Lord for your generosity! Please continue to pray that the churches where we have presented our ministry will see fit to partner together with us in serving the Lord.

The Lord has raised our support every month, with new churches committing to help us spread the Gospel in East Africa. Since starting full-time deputation in March of 2018, by God's grace, we have done the majority of our traveling on the West Coast. Between the two of us, the Lord has allowed us to see at least 53 souls saved personally during our travels.

With much anticipation, our second child finally arrived, Logan James Newton. My wife and baby are both doing very well. Logan was born on Wednesday, January 23, at 8:52 a.m. He weighed 7 pounds 3 ounces and was 20 inches long. We are all very excited to have another boy in the family. Hardly a moment has gone by that our son Cayden has not been right by his side.

Please continue to pray for us as we schedule meetings for this new year. We hope to have a full schedule.

In His service,

The Newton Family
