Your missionaries to Nigeria

March 2019

Dear Prayer Partners,

*“Now unto him that is able to do exceeding abundantly all that we ask or think, according to the power that worketh in us, Unto him be all the glory in the church by Christ Jesus throughout all ages, world without end. Amen.” (Ephesians 3:20-21)*

It's amazing to know that we serve a God Who takes such good care of us! We know that being in the center of the will of God is the most wonderful place that a Christian could ever be! As we continue traveling, we continue to see God work. I didn't mention it in the last letter, but at the beginning of January, God provided us with a brand-new 2019 Mitsubishi Outlander to use on deputation! God's been good!

This month we had the opportunity to present our burden to Nigeria in eight churches in three different states! Even with some bad, wintry weather, we were still able to get to every meeting. For the second half of the month, our meetings were within an hour of where we live, so I was able to help with laying a bathroom floor at our sending church. We also had the opportunity to go on bus visitation and soul winning in Muncie, the town where we live!

Erin is due with our first child, a baby boy, on May 18, 2019! Both of them are doing great! It has been a little interesting scheduling all of her appointments around our traveling, but God has always worked it out. We have felt extremely blessed by all of the gifts that have been given to us for Erin and the baby!

We love young people (I think I'm still one myself)! We've been able to speak to a couple of youth groups and Junior Churches on a few different occasions. We love getting to speak on the subject of missions, but we also love reminding them that the pleasures of this world only last for a short time, and only what's done for Christ will last! This is something that every adult needs to remember as well.

Thank you for your continued support! Each month I pray at least once for every pastor and church that we've visited. I know that for us to reach the whole world, we need each other to be reaching the people in the place where God has placed us. We know that it takes folks like you to send folks like us!

In His service,

Daniel and Erin Lang
