

MISSIONARY #6020

March 2019

Dear Family and Friends,

“Blessed be the Lord, who daily loadeth us with benefits” (Psalm 68:19)

Our Father’s blessings have seemed especially abundant this month!

A Great Trip

The first two weeks of February, three men from New York were able to come here to visit us. The first week **was spent in our city, where they were able to enjoy many “firsts” and also meet many friends.** The group was a blessing and an encouragement to our family. We were especially blessed by their sharing in the gatherings.

The second week, our family went with them to the north, where we were able to spend time with Dr. Y, his family, and other friends. We also were able to see some of **China’s most famous landmarks for the first time!** It was fun watching our Father answer special requests for our boys regarding the weather!

A New Car

While on the trip, we received a message from a friend in another city asking if they could give us their car. I quickly responded that we would be glad to have one! We are very thankful for His timing and His provision!

New Friends

Our friends, H___ and E___, recently brought their daughter B___ and her cousin J___ to our house. While my wife talked with E___ and H___ rested, I was able to share the Story with the children. When I asked them if they wanted to join the family, they both excitedly said, **“Yes!”**

February 2 would have been our daughter T___’s **fourth birthday.** **On this special day, we brought our** guests to her grave in the mountains and were able to have a special time of sharing with some of the local people. Please pray for those who heard the Story to have open hearts and understanding.

Thanks to our Father for His love, mercy, and faithfulness! Thanks to you for your prayers and support!

That all the earth may know,
