July 5, 2019 (June 2019 Prayer Letter)

Dear Pastor and Church Family,

Let me start off by apologizing for not sending out last month's prayer letter. I would be happy to send it to you if you would like. I completely forgot to email it. Thank you for your faithful giving and prayers.

Family: The Wrightson family is doing well. We're keeping busy and enjoying the warm weather. We are all in good health and praise the Lord for that.

Soul Winning: God has allowed me to cross the path of hurting Christians this month. I had the opportunity to spend some time with a gentleman who lost his 27-year-old son three years ago to a tragic death. He and his wife are still hurting and trying to deal with the pain. Though they raised their son in a Christian home, as an adult, he strayed just a little, and the influence of friends got the best of him. Another very wealthy man lost a daughter at the age of 23. His family is devastated, as you can imagine. What is the answer for these folks? The Word of God! I don't have the answers, but we can always find joy in our salvation if we are just willing to take time out to consider how good He has been to us.

Travels: This month's meetings have been fruitful, and we were able to gain some support. Praise the Lord for His faithfulness! We had the privilege of presenting our ministry to the church where Misty's mom was saved as a bus kid. Misty's dad and grandparents are buried there, so it was a meaningful time for our family.
