May/June 2019

Dear Pastors and Friends,

May/June 2019

We were blessed to spend time with these wonderful churches in May and June: Huisache Avenue Baptist Church (San Antonio, Texas), Grace Baptist Church (Harrisonville, Missouri), Heritage Baptist Church (Lawrence, Kansas), and Central Baptist Church (Decatur, Illinois).

Blessings and Answers to Prayer!

Thank you to Huisache Avenue Baptist Church and Central Baptist Church for partnering with us! This brings our support level to 66%!

Thank you to Bro. Eric Hargis of Baptist Missionary Transportation Ministry for fixing some minor issues with our van! He went above and beyond for us. We have been blessed to meet godly people who use their mechanical skills for God.

We have discovered the blessing of prophet's chambers recently. My wife was given a list of prophet's chambers from another missionary wife awhile back, and that has proven to be a great help! It is such a needed ministry.

Schedule

We still have a lot of open dates for the summer months. We have been visiting neighboring churches in the Decatur, Illinois, area to meet the pastors and see if there is any interest in our ministry. Please pray with us that an opportunity will open up at some of these churches. We love sharing our ministry with others and sharing about how God is working in Tanzania.

Medical Clinic

We are so excited about the land purchase for the future clinic! Kellie has decided to go back to school this coming fall or next spring to get her CNA license. Before we started deputation, she was a caregiver for seniors, and she loved her job. She would love to be able to use and further her skills so that she can help with the clinic on a volunteer basis. It's going to cost us a little over \$600 for her to get her certificate. The course is a month long, and there is a local college in Cedar Rapids, Iowa, that offers the course multiple times a year. Plus, this gives her another document that will help her renew her work visa next May.

Speaking Opportunity

I was asked by Bro. John Cole and Bro. Mark Bosje to speak at the upcoming Missions University about media for missionaries. I am so excited to share with my fellow co-laborers about the importance of media and why our supporting churches need to SEE what is going on overseas.

Your fellow laborers in Christ,

Montana and Kellie Morrow
