Your missionaries to Nigeria

October 2019

Dear Prayer Partners,

Thank you so much for your continued support! I'm very grateful for everyone who has prayed for, given to, and thought about us. There are not many weeks that go by that I don't hear from someone, letting us know that they love us. We are so very thankful for you all!

As many of you know, we had the amazing privilege to go on our survey trip in September! We were able to be in Nigeria for just under three weeks. Thank you to everyone who prayed specifically about this trip! It was definitely very interesting taking a 28-hour trip with a 4-month-old baby; but God was very good to us, and Ezekiel did quite well.

It is quite hard to put into words just how we felt, being able to see the country and meet some of the people we know God has called us to serve and minister to one day. We had a wonderful time and are more determined than ever to return! I was thinking recently what a joy it is to serve a God Who has not only saved us, but Who also allows us to serve Him! What a thought!

We greatly enjoyed being able to meet and get to know the Holmes family while we were there. They were gracious enough to allow us to stay in their house the whole time we were in Nigeria. We are excited to be able to have the opportunity to learn from and work alongside this great family as we continue to strive to fulfill the Great Commission!

We were able to do many things and meet many people during this trip! We were able to go to a couple of the village churches and get to meet the faithful men who pastor them. We were also able to be a part of the services of both of the churches in Abuja that Bro. Holmes pastors. Teaching a Bible Club, preaching in a couple of schools, and going soul winning with the Bible college students were just a few more of the opportunities that we had to lift up the name of Christ! We also enjoyed getting to see and be a part of the everyday life of a missionary on the field. God was so good to us!

If anyone has any specific questions or would like to hear more about the trip, please don't hesitate to contact me; I'd love to explain more! Thank you once again for your continued support! We look forward to continuing on the deputation trail! We know that it takes folks like you to send folks like us!
