"Starting churches and training preachers in the Dominican Republic"

December 2019

Dear Pastor and Brethren,

Christmas has come and with it a time to remember that Christ is the cause and reason for Christmas. ***"Glory to God in the highest, and on earth peace, good will toward men."*** (Luke 2:14)

Recently, we concluded our anniversary month. The month of November is always very special for our church. By the grace of God, we are fulfilling 18 years of existence as a local church. **Many people visited us, but something unusual was that most of the visitors were the relatives of our church members. More than 30 of them attended, and most for the first time. Several were saved.** Of course, this was a source of joy, as we constantly prayed and exhorted the church to pray and bring their families to hear the Word and be saved.

In the last three months, the Lord has allowed me to preach in different churches here in the capital and in the east of the island. Some of these churches are having their annual Missions Conference. By the grace of God, there is an awakening in some pastors and churches to invest in missions. That really is a breakthrough in God's work here in the Dominican Republic.

Despite this, the Devil does not fail to prevent the growth of the Gospel through all his tricks. Here in the Dominican Republic, he is trying to do it through a rebirth of Hyper-Calvinism. Thanks to the Lord, our churches (fundamental Baptist churches) and their pastors are healthy men in the faith and capable in the Word, who have remained faithful to the doctrine. **Yet several brethren have been disturbed by this bad theological current, especially by the great "heresy of limited atonement."** In our church, three brothers have been affected by it. As the pastor, I am trying to help them get back to church. Please pray for Ivan, Sebastian, and Ivan Jr., who turned away from good doctrine by listening to this false teaching.

During the months of September through November, 105 people were saved, and 3 were baptized. Again, have a wonderful Christmas and a Happy New Year!

Prayer Requests:

1. Please pray for the new believers.
2. Pray for the US\$140,000.00 we need to buy the church property.
3. Pray that Ivan, Sebastian, and Ivan Jr. will come to the Lord.

Because Jesus lives,
