Dear Pastor and Church Family,

Thank you for your prayers and financial support. We appreciate all that you have done. Thank you for encouraging us as we stand strong, preaching the truth of the Gospel! We covet your prayers for strength and health, as we have services four days a week. On Wednesday and Thursday, we have back-to-back midweek services every week and Saturday evening services, and Sunday, we have all-day services. We thank the Lord for His protection as we travel to and from the churches.

As our time is limited trying to attend to the needs of two churches, we urge you to pray for labourers. Recently, Juan Jr. was out on visitation and handed a tract and invited a lady who was out on a walk. He did not know that she had prayed for God to give her an answer to her problem before she left the house. She came to church that night, and Amy and Esther were able to lead her to the Saviour.

My wife and I celebrated 18 years of marriage in October. We thank the Lord for His blessing on our marriage and family. We enjoyed a night away and time alone.

I thank the Lord for souls saved on visitation every week. Esther has led several people to the Lord on soul-winning visitation. David led 4 people to the Lord these past 2 months. Amy has been praying that our neighbor would open her heart to the Gospel, and she visited her one Saturday. Ana invited Amy in and listened to the Gospel. She put her trust in Jesus Christ to save her. Please pray that she takes a step of faith in attending church.

Children's Day is widely celebrated in Brazil. We had a special service in both churches. Thank the Lord for the ladies who helped us make decorations and set up the day before. Micah invited a boy and his father; they came, and I had the privilege of leading them to the Lord. David invited Luiz Miguel, a 12-year-old boy, who came, and David led him to the Lord during the invitation.

It is a privilege for us to host young people from churches in the States, and we appreciate when they have an interest in foreign missions and are willing to help!

Chloe and Caleb have come to us and asked about salvation, and we are thrilled that their hearts are so tender to the Lord. At different times, the Lord made it clear to them that they needed to be saved, and we have had the joy of leading them to the Saviour.

We covet your prayers for our family's health. We thank the Lord for sustaining us. Please continue to pray for the Lord to provide a van for our family and ministry.

May the Lord bless you.

In His service,

The Vallejo Family
