Dear Praying Friends,

April/May 2020

Praise the Lord! It is so exciting that we have been able to serve the Lord Jesus Christ in the country of Mexico for over 15 years! Thank you so much for your faithfulness through your love, prayers, and support that are helping us to make a difference. The Lord has blessed in so many wonderful ways, allowing us to win souls personally and through mass evangelism, helping to establish several churches, teaching and training nationals, and preparing books and videos to train in evangelism and help Christians grow in their relationship with the Lord and in their effectiveness for His service. The Lord has truly been good to us, allowing us to see multitudes trust Christ as their Saviour.

We are so thankful that in spite of everything that has happened with the Coronavirus, we have still been able to give out the Gospel every day. Of course, we have not been able to do the mass evangelism that we were doing before; but, praise the Lord, there are so many ways that the Lord can use us to share the Gospel with others.

Truly the Gospel is the power of God unto salvation. Recently my wife was in a health-food store, and she struck up a conversation with a worker named Hector. Right there in the store, he prayed to receive the Lord Jesus Christ as his personal Saviour. Praise the Lord! God is still in the soul-saving business! Amen!

I would ask that you would please pray especially for the overall health of my family. Recently I had a little battle with my health; but, praise the Lord, I am doing great now. If you could please pray for my health, for my wife's health, and for our son Michael's health as we serve the Lord Jesus Christ, I would greatly appreciate it.

Thank you once again for all your love and prayers. They are truly making a difference. Please pray for God's provision, protection, and power for us personally and for the ministry we have of reaching precious souls for the Lord Jesus Christ.

We love you all in the Lord. May the grace of the Lord Jesus Christ be with you all, and may God use you in a greater way for His glory and honor. God bless.

Yours for souls,

*Darrell Ratcliff*
