Dear Friends and Supporting Churches,

“ . . . but the word of God is not bound.” (II Timothy 2:9)

Greetings from Guatemala. The strict curfew that was imposed here last March is slowly being relaxed. We are still a far cry from being back to normal, but at least things are loosening up a little. What is happening in your churches is happening here also.

Sadly, we have lost some of our congregation because of the pandemic. Many are out of work or struggling with other difficulties due to this problem. May God help us all to remain steadfast in the faith and preserve us from this disease.

Please pray for the Pascual family. They have been separated for six months now due to the pandemic. Please pray that they can be reunited soon.

This month we expect to receive a shipment of Bibles and Scripture materials from DirectLine Ministry in Tennessee. Please pray that God will use these materials to bring many to Christ.

Thank you all for your prayers and for your faithful, steady hands of support in these difficult days.

Sincerely,

Angel Lopez
Guatemala
