November 2020

Dear Friends and Supporting Churches,

“To God only wise, be glory through Jesus Christ for ever. Amen.” (Romans 16:27)

We have much to thank God for in this year of 2020. For one thing, we are still alive. The pandemic has forced us to change our activities. We are close to Guatemala City, which is a COVID-19 Red Zone, and because of that, all the churches in the area are under strict protocol regulations. We continue holding meetings in the homes during the week and Sundays, too, in different locations. The schools here are closed, but many are expected to open next year, we are told. Please pray for our Bible Club Ministry, as we're doing all we can to be prepared for next year in case the schools here open.

Last October 25, 2020, a new shipment of Bibles and Bible portions arrived here from the United States. These will be distributed to the population over time. On behalf of the Guatemalan people, we want to thank Bro. Paul Deem of DirectLine Ministry and all of those who worked and labored to make this happen. May the Lord richly bless you all for your compassion for these souls.

We also want to wish all of you a happy Thanksgiving Day and Christmas holiday season. Thank you always for your prayers and support. May the Lord keep all of us in His love.

Sincerely,

Angel and Noemi Lopez
Guatemala
