November 1, 2020 (October 2020 Prayer Letter)

Dear Pastor and Church Family,

Family: Things are going well with the family. Kayla and Susanna have started working full-time and adjusting to adulthood. Jonathan and Daniel are going to a Christian school, and they are both super excited about having made their basketball teams. Annabelle is even cuter and more precious than ever. She has us laughing every day! I highly recommend having a baby at 45 years of age; it makes me feel 20 years younger. Ha! Ha!

Soul Winning: I was privileged to preach in a Christian school last month, and a second grader trusted Christ as his Saviour. His teacher later told me that he was so excited about it that he wanted to tell his mother right away.

Ministry: East Coast Baptist Church is moving right along. We have put in an application to the school board and hope to be able to rent a public school facility, starting in December. We are still meeting in the hotel conference room, and it has been good, but I feel like a school would make visitors feel a little more welcomed. We attended a wonderful Missions Conference in West Virginia at the Shenandoah Bible Baptist Church. Open Door Baptist Church in Mesquite, Texas, donated money for us to buy a portable digital piano, which is a huge blessing. We cannot wait to pick one out and use it for God's glory.

Special Needs and Prayer Requests:

- Trying to sell our 15-passenger van (2018 Ford Transit).
- A more permanent building and the start of a midweek service
- Deliah Sitorious – seven-year-old little girl with brain cancer (rare mutation)
- Alex Sitorious – injured in Iraq and has to have some major surgeries for hips and knees

Sincerely,

Pastor Jon R. Wrightson
