**Dear Friends,**

We are blessed to have the Hall family on our team. God is using them in a profound way to reach the Deaf here in Ghana.

In February of 2014, Bro. Rocky Hall visited Ghana on a survey trip. From that trip, a Deaf Department was launched in our church. My wife Elizabeth took the responsibility of signing for the Deaf during our services. This ministry was productive, in that we had several dozen Deaf folks visit our church and some who were faithful. Nevertheless, most of them were still confused about salvation doctrine; they needed a shepherd.

In February of 2017, the Hall family arrived on the field and started the Hope Fundamental Baptist Church for the Deaf. It has been awesome to watch the Deaf flourish under Bro. Rocky's leadership. This church is being used of God to reach this often forgotten but important people group. Souls are being saved and disciples made.

You can stay up-to-date with their ministry by visiting [www.fbmi.org/missionary/hall#updates](http://www.fbmi.org/missionary/hall#updates). Please pray for this ministry, as they have hopes and dreams of starting a school for the Deaf in the future. Pray that the Deaf disciples will continue to grow and help to start other Deaf churches throughout Ghana!

Yours for souls,

Ted Speer
