Dear Friends,

I want to share with you the ministry of one of our Bible college students, Isaac Owusu Ansah. He was reached by one of our college graduates, and almost immediately, he got involved in the ministry and started a church in a place called Petrensa. Pastor Ansah has since enrolled in our Bible college, and we have grown close to him. Pastor Ansah is the consummate soul winner, who has an unrivaled zeal to win people to Jesus. Recently, I received this message from him:

It has been four months now since I started a Bible Club in the Petrensa community. We gather the kids every Saturday from 3:30 to 5:00 p.m. We have taught them how to go Heaven and how to tell others about Jesus. I am hoping and planning that very soon, every village around us will have a Bible Club.

Pastor Ansah recently brought three other students with him from his church to Bible college. Please pray that God will continue to give us men like this to train for the ministry.

This past week, we began work on a mission house for Pastor Ansah, which is located on the church property that we were able to purchase. Below are a couple of pictures from the work that has begun. After the completion of this small mission house, we hope to be able to erect a permanent church structure to replace the temporary one that Pastor Ansah's church constructed. We appreciate the financial help that was sent by some, which allowed us to begin this project. If you would like to help, please give through FBMI and designate your donation for #6180 Ghana Special Projects.

We thank God for the team families who serve with us. For example, the Osgoods have been serving in Ghana since 2006! Please take a few minutes to read their most recent prayer letter and pray for their needs. You can find their prayer letters at <https://www.fbmi.org/missionary/osgood#updates>.

Yours for souls,
