

# THE Vincent FAMILY

YOUR MISSIONARIES TO THE PHILIPPINES

January 2021

Dear Praying and Giving Friends,

Happy New Year! I pray that all of you are in good health and that you are all able to worship the Lord in His house. This new year brings exciting news for our family. On October 25 of last year, we were presented before the First Baptist Church of Hammond, Indiana, and accepted into their mission board, FBMI (Fundamental Baptist Missions International). These changes are reflected in our new letterhead and prayer card. As such, please send our support to the support address listed below. Have all checks written out to FBMI, and on the memo line, you can put "Missionary #213." This is our official number, and this helps FBMI sort out any support that will go to us.

This past December at my home church in Kentucky, we were able to buy and deliver some Christmas presents to church members on Christmas Eve. It was truly a wonderful feeling to be a blessing to others during this time of year when we celebrate the greatest Gift ever given, the birth of Jesus Christ our Saviour, Who gave us eternal life.

At the end of September, we sent a box full of Bibles, songbooks, and other various items to the Philippines; and we were just notified earlier this month that it was finally delivered! These songbooks were given to us from a small country church in Kentucky that had decided to close its doors for good. I assured the retiring, elderly pastor that these songbooks would be put to good use! We will use them for all the different home Bible studies and extension churches (chapels) that we have.

1. Please do pray for the Baclayan extension church, as they have just bought a piece of property and are preparing and saving their money for their own building.
2. Please pray for us to have more meetings and Missions Conferences in churches this year despite Coronavirus and state restrictions.

The Lord's compassions fail not; they are new every morning. Great is His faithfulness.
