

April 2021

Praise goes to Jesus for raising from the dead and quickening us to eternal life. He is doing a mighty work. Countries are in lockdown, but Jesus never is.

Please see some reports happening this month.

- Ezekiel and Ben George of Argentina are distributing Klor Gen 3000 systems to and evangelizing Argentinian villages.
- Shaukat Siddique, from Bible Believers Baptist Church in Pakistan, is cleaning water in the desert for those with bad drinking water.
- Osmin Gutierrez is giving the Gospel and Klor Gen 3000 water-treatment systems to public officials in Honduras (see picture below).

- Pastor Lucas is setting up crusades to preach the Gospel and distribute 150 Klor Gen 3000 machines in Nigeria.
- Trips are underway into Peru's Amazon Jungle and Liberia. I will be going with men from the U.S. and working with missionaries and national pastors. We will give both the Living Water and drinking-water machines to 180 villages through the local churches. Pray that all of Christ's will be done.

His Water Boy,

John Hays
