"Starting churches and training preachers in the Dominican Republic"

June 2021

Dear Pastor and Brethren,

I am writing to you once again to wish for you that the Lord would continue to strengthen you in the faith in the midst of the trial we are experiencing with the Coronavirus pandemic.

The last three months have been very productive in spite of the adverse circumstances that the earth is facing; the Lord has kept us in good health, not just us but also the whole church. This has allowed us to return to having our Bible studies and our Sunday afternoon services. We thank God for this great blessing, since we were only meeting on Sunday mornings.

Several people have been saved, and we have baptized several of them. Among them is a young lady named Gabriela. This young lady came to our church looking for help because her father had introduced her to witchcraft and Santeria. As a result of that, the demons did not let her sleep, manifesting themselves in many ways, until she became ill with nerves. Today the young lady is fine. She testifies that since she accepted Christ as her Saviour, the demonic manifestations have ceased. This is the third time I have had to help new believers in the church with these problems. Gabriela's mother came to our church, thanking God for what the Lord has done in her daughter's life.

In spite of meeting again in person, that does not mean that the virus has given up. Contrary to this, there has been resurgence in Santo Domingo. We hope that things will improve now with the vaccine.

During the month of June, we will have our summer evangelistic program every Sunday. Please pray for this activity. Pray that the Lord will give us wisdom to protect us as we reach the lost with the Gospel in the midst of the pandemic.

We heartily appreciate your prayers and your investment in God's plan to save sinners through the Gospel of the Lord Jesus Christ.

Prayer Requests:

1. Pray for souls to be saved during the summer evangelistic program.
2. Pray for those who have not returned to the church services.
3. Pray for our health in the midst of the outbreak of the virus in Santo Domingo.
4. Pray for the new believers: Gabriela, Alex, Ayalirsis, Marino, Tania, Julio, Mercedes, Stanly, Hanley and family. All of these have been saved this year during the pandemic and are attending church. Glory to God!

Because Jesus Christ lives,
