September 2021

Dear Friends and Supporting Churches,

"... he that doeth the will of God abideth forever." (I John 2:17)

God is so good! We thank Him for His constant care and guidance and for giving us another opportunity to send you a report on what we are doing here in Guatemala.

The COVID relapse has forced the Guatemalan government to clamp down with new restrictive measures, but they have not shut down the country altogether. We are not happy about this; but God is faithful, and He knows what He is doing. Our Baptist missions that we have started in different places continue strong, although one of them is paused due to a COVID outbreak there (Las Margaritas). Thank you for your prayers about this situation.

This month God led us to start a new work in the town of Santa Rosita, which lies about 10 kilometers away from our home. That town lies entirely within the city limits of Guatemala City. We held our first meeting there last week and saw four souls saved, all praise to God. Pray for this new work! In all of our missions, we are going forward with caution due to the COVID threat; and, thankfully, we are seeing souls saved in practically all of them.

Please pray for my health. The biggest threat to my health is high blood pressure caused by stress. Brothers and sisters, these are exciting days! God's work must continue! Thank you for your prayers and support! Please keep praying!

Sincerely,

Angel Lopez
Guatemala

"They that sow in tears shall reap in joy" — Psalm 126:5
