Dear Supporting Friends,

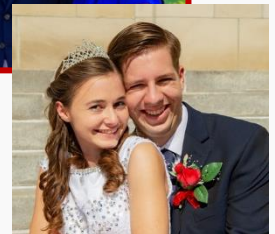

Silver Lining

Despite the difficulties of COVID limitations, God is still blessing, drawing new people to the church, and saving souls every day. We are growing in the Lord in our personal walk with Him. Thank you for remaining true in your prayers and support. In fact, God has given us three new supporting churches this year.

God has done it! We are now at 106 souls saved so far this year, but we still have a month to go! Keep praying for us, as the nation is still very fearful concerning this virus. It is true that many have died and that many more are being made ill from this COVID scourge. Face coverings are worn for the services, and our church leaders are finding it hard to open more services. Please pray that the virus cases will go down. British experts and scientists are predicting an upsurge over the winter, but we are doing what we can to bring comfort and assurance.

25 Years in England

On the 13th of November, we celebrated 25 years on the field as missionaries to England! Our sons are serving the Lord at First Baptist Church of Hammond. We have a beautiful daughter-in-law and a grandchild on the way. We must praise Him!

Christmas Blessings

Satan is working overtime to try to take away the greatest holiday of the year. Despite that, please pray for us as we seek to make it the best Christmas season ever! We must never forget that we have the victory through Christ. May God richly bless you and be near to you in 2022.

Yours for souls,
