Dear Friends and Supporting Churches

" . . . through your prayers I shall be given unto you." (Philemon 22)

Another shipping container of John and Romans Bible portions is on the way to Guatemala! We thank the Lord for those who gave to make this possible. The Lord willing, I will be going to the States for a short time soon after we receive that shipment of Christian literature.

Unusual Soul-Winning Experience

Recently while soul winning in Las Margaritas, Santa Rosa, I began witnessing to a lady, whose name is Erica, at her door. She was receptive to the Gospel. As I prepared to lead her toward receiving Christ as her Saviour, she suddenly went into a fit of trembling, and her voice changed. I steadied her by putting my hands on her shoulders while she trembled violently and spoke against the Gospel in a weeping, hysterical voice. While trying to steer this lady through what was happening to her, I simply urged her to continue praying to Christ. By the time Erica finally prayed to receive Christ as her Saviour, both of us were on our knees—and then there was silence. That was the most unusual soul-winning experience I have seen in my years in the ministry.

The village of Las Margaritas is all dirt roads, while our vehicle, a minivan, is designed for paved-road driving only. Because of this, we often get stuck in the mud there during the rainy season. Last September in Las Margaritas, I caught the COVID virus because I spent hours in the rain getting the car unstuck one night. Please pray that God will give us a pickup truck that can handle driving through muddy roads.

Your prayers are life and death here. Thank you so much for your prayers and support!

In Christ,

Angel Lopez
