January – February 2022

Dear Pastors and Prayer Warriors,

We started the new year by visiting one of our supporting churches in Northern California. We were also able to present in two other churches while we were there. We were invited to come back in August for a Missions Conference at one of them. On our trip back to Texas from California, we were able to stop for church in Albuquerque, New Mexico; and then we stopped in Santa Rosa, New Mexico, to see the Blue Hole, the only cenote in the United States. It was a blessing to be able to enjoy one of the beautiful creations of God in the middle of what otherwise appears to be a very barren area.

Irene and I have struggled to get rid of colds due to the large changes in temperature. We have gotten used to living in a very steady climate in South America and are just not accustomed to the weather variations here anymore. We have been doing better, but with every large swing in temperature, our colds seem to come back.

One Saturday morning while out soul winning in Texas, we knocked on a door like usual. A man came to the door speaking Spanish and apologizing for not knowing English. To his surprise, we started speaking to him in Spanish. He agreed to listen to the Gospel and soon trusted in Christ as his Saviour. Nicolas was a very broken man. His son had been murdered in front of his house just two months before, and then his wife left him. Please pray for him; he needs God's grace.

At the end of February, we traveled to San Antonio to give a report to one of the first churches that started supporting us. It was great to see many familiar faces and to see them still faithfully serving God. While we were there, we celebrated my birthday with a walk around the scenic areas of downtown San Antonio.

More churches have taken us on for support. We are now at 75% of our target support level. We praise the Lord for leading us to churches that want to help spread the Gospel in Ecuador. We have also been steadily raising funds for the purchase of an airplane. God is certainly blessing our time here!

Thank you for everything you do for us. God bless you!

Chris Williams
