FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear FBMI Missionaries,

We have just completed our 8th Annual Missions Conference here at First Baptist Church of Hammond, and I believe that it was the most Holy Spirit-filled conference I have ever attended. As our keynote speaker, Dr. Sisk was a challenge and a blessing to everyone with whom he came in contact. We also heard from Bro. Ed Bordell from Costa Rica, Pastor Adam Thompson from Texas, Dr. Bob Bowen with BEST Ministries, and Bro. Eddie Wilson from CMI. All of these men are doing great things to get the Gospel all around the world.

We had 11 missionary families join us, including FBMI's own Zach and Cassie Foust, Larae Hoff, Brendan and Karin Morgan, Ian and Czarinna Vincent, all of whom are on deputation, and also Robert and Anny Wilson, who joined us from Guadalajara, Mexico. It was a delight to catch up with old friends and to meet many new ones.

The services were powerful, and God had already been working in people's hearts before the conference began. We have had about a dozen or so young people surrender to the mission field in the past few weeks, so during the invitation on the last night, I asked them to come up on the platform, as well as the missionary families. I then invited others to join them. There were a lot of people on the platform when it was finished. These people are the future! Would you please pray for them?

The auditorium was beautifully decorated with flags, banners, and a huge 16-foot globe. This year the globe was even turning! We had an exciting addition in the hallways, with two large displays, each with two screens. One screen is a touch screen with a map of the world, allowing our people to tap on any country and find your picture and information. The other screen constantly rotates pictures of all 309 of our missionary families, allowing our church to get to know them all better.

This would be a good time to remind you that we can only use what you send us. I encourage you to go to www.fbmi.org and check the picture that we are using for your family. If you are not happy with it, we welcome you to send us an updated one.

I also would like to remind you of our 2022 Missions University July 11-14 and our first Missions Marriage Retreat July 15-16. I hope that you'll come if you're in the United States at that time.

Things are going well here at the old church downtown. People are saved and baptized every week, and there is a buzz of excitement about missions. Hyles-Anderson College has a tremendous group of young people, and they have such a good spirit. I am blessed to be serving God, as well as some of the greatest missionaries who have ever lived

May God bless you richly,

Bro. Bosje
