FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Prayer Partners,

What a wonderful time we are having serving the Lord here in El Salvador! God is working through His church to bring the Gospel to dozens of people on a daily basis. I want to thank you for the great part you have had in seeing people come to Christ.

On Sunday mornings, we start with a church-wide breakfast that is provided by different church members every week. This is an opportunity to reach new people, and it has helped encourage our church members to be faithful to Sunday school. Last week we had a post-pandemic record attendance in Sunday school.

We are also very encouraged with the response of our church people in giving to the support of missions. This year we were able to add two new missionary families to the number we currently support. One missionary we are taking on for support is Isaac Amaya; he is going to Equatorial Guinea, Africa. The other missionary is Walter Menjivar and his family; they are going to Nicaragua. Praise the Lord!

The church continues to win souls throughout the week in our door-to-door soul-winning programs, soul winning in the town square, and on bus routes. There are five soul-winning programs in which our church members can participate, and many of the soul winners attend more than one each week.

One of the aspects of the ministry that I am personally enjoying is seeing our Bible institute graduates faithfully and effectively minister in the works in which God has placed them. There are two of our graduates pastoring in the neighboring city of Metapán. They are doing a marvelous job reaching that city. One of our graduates is a missionary in Jinotega, Nicaragua. They are about to start a second work. Another is the pastor of a wonderful church in Puerto Cortez, Honduras. He had a big day for Easter Sunday and invited our assistant pastor, Jimmy Trujillo, to preach. We are so proud of our graduates. Some of them have stayed and formed a team with us as lay people in the church. We are grateful for them.

We are at that stage in ministry and life where we look back and are amazed at God's faithfulness through the years. We look forward, at the same time, and marvel at what God has in store. Each person mentioned in this letter has a story of God's grace to tell. Each one serving God as a result of the ministry here can point to a time when God rescued them and changed their trajectory in life. They all represent countless souls reached for Christ. God does wonderful and marvelous things through missions giving.

I encourage you to come visit us and see how God has used your sacrificial giving to missions. I know your heart will be blessed, and you will want to do even more for God.

Enclosed you will find a report on the Christian school we have started. I trust it will be a blessing to you.

Thank you for praying for us and for giving to missions. God bless you as you serve Him in your corner of the world.
