Dear Friends of Missions,

Praise the Lord! It's that time again—Our *Miles 4 Missions* Fundraising Event!

If you remember back in 2019, my wife Robyn and I committed to riding our bicycles across the entire state of Michigan to raise funds for missions. We had never done anything like this before; and, honestly, we were a bit nervous about it. However, the Lord blessed, and we were able to raise over \$5,000 for missions during this event! Robyn and I both successfully exceeded our goal of riding 300 miles by completing the ride across the entire state and riding 303 miles!

What happened in 2020 and 2021? COVID restrictions within the state of Michigan did not allow for this event to take place. We have been praying that the restrictions would lighten up for 2022. We are excited that we are now able to move forward with the fundraising event this year! Will you please consider helping us by sponsoring us in this missions fundraiser?

June 18-24, 2022, my wife Robyn and I have scheduled a BIKE-A-THON as a fundraising event for an upcoming Wings Bearing Precious Seed shipment of Scriptures to Europe. We are seeking sponsors to make a one-time, flat-amount pledge (or love offering) as we cycle across the entire state of Michigan. Our goal is to pedal each and every mile from Whitehall, Michigan, to Harbor Beach, Michigan, over a six-day period. We have preplanned stops along the way, where we will tent camp for the night and also visit three churches for Sunday and Wednesday services. We, Lord willing, will average cycling 50 miles per day.

Robyn and I would so appreciate it if your church would consider sending a one-time, flat donation. Donations can be made online via <http://go.rallyup.com/miles4missions2022> or by contacting me at the number below to mail it to our mission board or to our sending church in Adrian, Michigan. Funds will be sent directly to Wings Bearing Precious Seed for an upcoming shipment of Scriptures to Europe.

If you would like to have a part in sponsoring our *Miles 4 Missions* (special fundraiser) Bike-a-Thon and you have questions, please do not hesitate to contact me at (517) 270-2831. Thank you for your consideration in helping us to help the cause of Christ by supporting this missions fundraising project through prayer and/or sponsorship!
