

JOSH & HEATHER HEDDERMAN

Missionaries to Lima, Peru

May 2022

Hey! As many of you know, our church here in Lima, Peru, has been able to give food to the needy here for the last two years. Over 30,000 packets of food have been given out, and through that food, well over 3,000 people have accepted Christ as their Saviour. We have seen families growing, lives being changed, and so many grateful people whose needs we have been able to meet.

All of this has been able to happen because of donations from individuals and churches in the U.S. Thank you to so many of you who have given time and time again to be able to keep feeding needy Peruvians. Unfortunately, we are at the end of the donations. We have enough money to keep it going a week or two more, but that is all.

I know so many have already given, but if God would put it on your heart, would you be willing to donate once again to continue reaching and loving people? The doors are still wide open! There is still so much we can do, but we need your help.

Thank you in advance for what God will do through you. May God bless you.
