

Darrell and Buffy Ratcliff

Your Missionaries to *Mexico*

Dear Praying Friends,

August 2022

Thank you so much for all of your prayers for my mom Diana. Please continue to pray for her, as she is battling cancer. She is doing okay. She has been taking chemotherapy treatments but will now be taking some radiation treatments, so please keep her in your prayers.

Thank you so much for your prayers for us personally and for our ministry, as we are serving the Lord Jesus Christ with your help to reach precious souls for the Lord. I want to share with you some highlights from just a few of our recent evangelistic campaigns. In Morelia, Michoacán, we were able to preach the Gospel to about 420 people, with about 390 of them indicating that they were receiving Christ as their Saviour. In Leon, we were able to help three different churches hold evangelistic campaigns, preaching the Gospel to over 700 people, with the majority of them trusting in Christ. Later in Guadalajara, I was able to help several great churches in different parts of the city to see a great harvest of souls saved. For instance, I got to help the church that had been pastored by Missionary Robert Murillo, who went to Heaven to be with the Lord last year. We preached the Gospel to around 1,527 people, with around 1,055 receiving Christ as their Saviour. Later in Saltillo, we preached to over 600 people, with around 460 people indicating that they were receiving Christ as their Saviour. Praise the Lord! God is still in the soul-saving business! Amen!

Let me say thank you so much for all of your prayers that are helping us to reach precious souls for the Lord. A great evangelist said something like, "Every great movement of God can be traced to a kneeling figure." It is so exciting to get to share Christ on a daily basis with other people. One Sunday evening after church, my wife and son had not gotten to witness to anyone that day, so we went to a nearby neighborhood. When I saw some people outside, I thought it could possibly be too intimidating if we all approached them, so I stayed in our van and prayed for them as my wife and son shared the Gospel. Michael won a boy named Emilio to Christ, and then my wife got to win his parents, Jesús and Coral, and his sister Coralane to the Lord! While praying in the vehicle, I noticed some young people arrive at the park right next to where Buffy and Michael were witnessing, so I got out and began talking to them. I had just introduced myself to them and given them Gospel tracts about our daughter Alejandra who went to Heaven, when Buffy and Michael finished their witnessing and came to where I was. I told the young people I was talking to that Michael was Alejandra's brother and that he wanted to share with them about her and how they could know for sure they were going to Heaven. Michael witnessed to them, and all five bowed their heads and received Christ as their Saviour. Praise the Lord! When each of us prays, intercedes, and helps others to reach people for Christ, we are working together to reach precious souls, so thank you for working with us to reach souls.

Please continue to pray that God would use our website, PredicaACristo.com, to teach and train God's people in different parts of the world to be more effective in sharing the Gospel. All of my teaching and training videos and audios, nine digital books, sermon outlines, and other helpful material on my website are completely free to use, download, and also share with others. If someone is interested in obtaining my books in printed form, they can be purchased from Amazon.com. The books can be found by putting "Darrell Ratcliff" in the search engine of Amazon. I would also ask that you would pray for opportunities we have on radio programs and also for some upcoming evangelistic campaigns; pray that many souls will be saved.

Thank you once again for helping us to make a difference.

Yours for souls,

Darrell Ratcliff
