June 2022

Dear Pastors and Praying Friends,

This year, we promoted the month of May as Family Month here in our church. All month long, our prayer services and every preaching service was centered on the home, and the Lord did some wonderful things during the month.

Our attendances were up all month long, the altars were full of people praying after many of the services, and we had a few wayward folks get back to being faithful to church. We dedicated 5 little ones and also recognized 9 folks who have completed the first phase of discipleship. It seems that many of us were genuinely helped and strengthened by the Word of God. Almost every Saturday while out soul winning, we would see someone saved, and we also had new families begin to attend services regularly as a result of the special emphasis.

The month of June saw some of that momentum carry over, for which we praise the Lord. We had over 20 first-time visitors for the month, and we had 4 more who completed our discipleship program, two of whom will be getting baptized. Earlier this month, we baptized a lady who has been attending regularly for several months now. We are so thankful for your prayers and giving. The encouraging growth here is to your credit.

Please keep us in your prayers as we head into July. Cynthia will be having a Ladies' Meeting, which usually allows us to meet new people and share the Gospel with them. We will also be holding our three-day Winter Bible Club for kids at the end of the month. Our prayer is for souls to be saved and for families to be added to the church. Thank you for partnering with us. We love and appreciate you.

Declaring His glory,

Wesley Palla
