Second-Generation Missionaries to England

Greetings,

**We are the Solt family, Christ's missionaries to the country of England.** We are sent out of *First Baptist Church of Hammond, Indiana (FBC)*. Both of us accepted Christ in our childhood years, and we are so thankful for the godly upbringing we experienced.

Daniel was born in England to missionaries Dave and Mary Beth Solt, who have served on the field since 1996. Rachel was born into a pastor's home in Montana to parents **Kevin and Merlene Strong**. They also have been serving at the same work for almost 30 years. We met at Hyles-Anderson College and married shortly after our graduation in 2019. Our precious Ruby joined the family in time for Christmas in 2021.

Thank you for taking the time to review our introduction packet, and may God richly bless you.

- Daniel and Rachel Solt

## His Calling

During an FBC Missions Conference, God called me to serve Him full-time on His mission field. While on a trip together in England, He confirmed in both our hearts that England was our ministry home. I also hold British citizenship, which will allow for a smoother immigration process. - Daniel

## His Mission

Upon returning to England, we will be serving at my father's church in **Preston, England**, a city with a surrounding population of over 200,000 people. Lord willing, we plan on building a **children's program** and **teen department**, along with participating in **outreach, discipleship, media efforts, and establishing a Bible institute**. We are excited about and looking forward to the new opportunities God has in store for us once we have adjusted to being on the mission field as a family. - Daniel

"It is with great confidence that I recommend Daniel and Rachel Solt for your missions consideration. They have, in my opinion, a '1 Timothy 1:5' testimony and will be greatly used to accomplish God's will in Great Britain for His glory and others' good. They possess wisdom that is from above and humble hearts that long to please the Lord. Any favor or investment will be done so without regret."

"We are very thankful and thrilled to have Daniel, Rachel, and Ruby Solt as the next generation of missionaries to England. As you may know, Daniel was born and raised in England. This gives him an understanding of the culture and a love for the people. We have found him to be a hard worker with great people skills and a burden for souls. He has proven himself to be responsible, and resourceful, with initiative to start new things and problem solve as needed. Rachel is also devoted to God and her family, and she has proven herself to be a great helpmeet in their future work and calling. We, therefore, heartily recommend them to this endeavor."

"Daniel and Rachel Solt were used of God at Hyles-Anderson College to see souls saved, lives changed, and fruit that remains. They set an example of holiness and hard work. As FBMI missionaries on deputation, they will be a blessing to your church as you allow them to present the work to which God has called them, and they will be a good investment eternally for you and your church. Please prayerfully consider partnering with this couple as they head to England. May God bless you!"

"Daniel has been an incredibly valuable and integral member of our team. He has embraced new tasks and skills with a high energy and mastered new skills as our business has grown. The highest compliment that I can give is that I don't want him to leave."

"It was my privilege to watch Daniel 'up close' as he served in the bus ministry of FBC of Hammond. Daniel is someone who not only has a heart for the Lord and souls, he backs that up with actions that prove it. He has been a faithful bus worker, bus captain, bus driver, and Junior Church preacher for many years. He has a sincere love for people and desire for spiritual growth. Daniel and Rachel make a great team and are certainly worthy of our support."
