

MICAH AND ABBIE CHRISTIANSSEN

August 2022

Dear Pastor and Praying Friends,

Abbie and I are so excited that our AnnaBeth has put her faith in Jesus to wash away her sins! Josiah Osgood and Joy Sarver, children on our team of missionaries, decided to do a Bible Club after receiving training at SMITE camp. AnnaBeth attended, and as she heard Joy explaining the Gospel, she understood it for the first time. When I taught Joy how to use the salvation picture book to lead children to Christ, I never thought that I was teaching the one who would lead my daughter to Christ! God is good!

I also got to train many of our school's students in soul winning at the end of July. Over the course of a week, I taught them how to use the salvation picture book and let them practice. I challenged them to come to the Bible Club we were doing on Saturday in Asofua and to give the Gospel to somebody. Several students responded. That Saturday, our Asofua Bible Club had 22 workers! Many children gave the Gospel for the first time. Please pray for these new soul winners to develop a true passion for souls.

Students Giving the Gospel!

August 9-12 was our yearly Pastors' and Workers' Conference. I thoroughly enjoyed teaching about the children's ministry in some split sessions, and I also got to teach the teenagers about biblical principles for choosing music. Abbie got to teach the ladies about how to teach obedience to small children. I thank God for the opportunities we get to influence others in their service to God.

My family is about to go on a furlough this fall. Please pray for us to have safe travels and that we would be a blessing.

Yours for souls,

Micah Christiansen

Fruit to Your Account

One of the young men who works with me in the children's ministry of our church started a Bible Club in Asofua. Due to a high turnout, the next week I came with some more soul winners. That day, we had about 100 children attend!

The following weeks continued to result in 70 to 100 children attending, and many of these children professed faith in Jesus. Several of these children have come to church now too. I want to tell you about one of these children in particular.

King is 11 years old. He came to Bible Club and was led to Christ by Gideon, the tall boy in the picture. The following week, King came back to Bible Club with the answers filled out to his salvation lesson book. Gideon and I went to King's house and got permission for him to come to church. King came the next morning, and honestly, I have never seen a child look more bored. I thought, This boy is never coming back.

The next week, King brought a friend, Nana Kwame. They missed the bus, so they **walked** for about an hour to get to church! Neither one has missed church since then!
