Dear Supporting Friends,

August / September 2022

Keep Plugging Away!

It has been so exciting seeing so many new faces in the church, and there has been some growth. **We have had 90 salvations so far this year, and another man was baptized in June. We have had 97 people visit the church, and 6 have been baptised so far this year.** We now have had more visitors in church this year than salvations, yet there are many opportunities to reach the lost with the Gospel. **Our Vacation Bible School was a tremendous success, with 25 children registering for the week!** This caused our children's Sunday school to grow. Please pray for us, as we will need to train more workers to help with the new children. Another blessing is to see the church calendar finally fill up with our normal yearly events and special days. We are back in 'busyness' on this side of the pond.

Opportunities

It has been exciting to have our sons Jeremy and Joshua come over from the States and bring their abilities and talents that they acquired at Hyles-Anderson College. In August, Jeremy preached twice in church, played, sang, and taught Vacation Bible School. Ten children were saved throughout the week, and we had a great time! Joshua came in late September and brought his technical expertise. Now our digital systems at the church are much more modern and helpful in spreading Biblical truth and salvation. Thanks, lads, for your most helpful input! We always enjoy having the Solt Team working together as God allows.

Thank you from all the family for the faithful prayers, support, and love. Please know that your prayers are vital to the work here in England and for the future of our sons and a growing family.

A Note from Daniel

Friends! Thank you for your love and prayers for our family! A little update on us. Currently, we are on full-time deputation to head back to England. Our desire is to work with my parents in Preston for the first three years as we transition back into life in England. During that time, we will be seeking the Lord for guidance on whether He'd have us start a church nearby Preston or in London. We are currently booking meetings for 2023 and would love to visit you and get to know you personally. Our contact information is below. May God continue to bless you for your eternal investment in England!

Yours for souls,
