

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

October 3, 2022

Dear Friends,

We are so very excited to tell you about a great opportunity that has been given to us. During what I believe to have been a divine appointment, we met the owner of the property that is behind our church building. The area in which our church building is located is quickly developing. When we first moved to this location, the street was a dirt road; now it is a paved main thoroughfare. This choice piece of real estate is up for sale. The total cost is \$20,000.00 for 1,657 square feet.

A friend has already sent a check for \$20,000.00 as a loan to purchase the property before it is sold to someone else. We are being asked to pay the loan back within three months. We have \$5,000.00 already donated for this purpose. Would you please pray about having a part in this exciting opportunity for our church and Christian school ministry?

When we secure the property, we will need to invest in it in order to use it to its full potential. This is an effectual open door that we want to walk through while it is available.

#### **How You Can Help:**

1. Pray for God's will to be done.
2. Pray for God's people to respond and listen to God's prompting to help financially.
3. Pray for God's blessing upon our church and school.

#### **How You Can Donate:**

The best way to donate is to send the donation to FBMI, our mission board. The check would need to be made out to FBMI. In the note section, please write the following: "Henry Gonzalez, Missionary #19 – El Salvador Property Purchase."

Thank you for taking the time to read this quick update and prayer request. It is truly an honor to represent you and your church here in El Salvador.

Your friend and co-laborer in Christ,

Henry Gonzalez
