

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

September 2022

Dear Pastor and Praying Friends,

We thank the Lord for His many blessings as we continue to reach out into our community with the precious Gospel of the Lord Jesus Christ. There is a small neighborhood about a 15- to 20-minute walk up the mountain from our church. One of our members lives up there and has opened her home to a Bible study every week. This Bible study, which was started back in August, has been a blessing, with visitors coming to church and several souls being saved.

There is a state university across from our church that has hundreds of college students. This year, for the months of October and November, we are planning a soul-winning push on Sunday afternoons to reach first-year college students. This Bible Club, we pray, will be a way for us to reach them with the Gospel and help them to become faithful in church. Please pray that the hearts of these college students will be soft to the Word of God and that they will get saved.

Recently while out soul winning, I met a college student named Charles. He was outside the college campus, sitting and relaxing with his cell phone in his hand. I gave him a Gospel tract and asked him about his college courses and his family background. I also asked him if he could give me some time to explain the Gospel story to him. After 45 minutes, Charles received the Gospel of the Lord Jesus Christ. Pray that Charles will come to church and grow in His grace.

The pictures in this letter are pictures of our Bible studies. Please pray that more souls will be saved.
