"Starting churches and training preachers in the Dominican Republic"

December 2022

Beloved Brothers,

We greet you once again, this time to wish you a Merry Christmas and a New Year full of peace and prosperity with your family and congregation. It is always a joy to write to you to make you a participant in the development of the Lord's work here in the Dominican Republic. It is amazing to see how quickly this year is coming to an end.

We want to express our deep gratitude to the Lord for what has been accomplished this year. We thank Him for . . .

1. The purchase of property for our church.
2. The sustained growth of our missions program; we are investing in the nation of Haiti, helping several missionaries.
3. All those who had been saved and baptized.
4. The care, protection, and provision of our God during the COVID-19 pandemic. No one in our church died from the virus. Glory to God!
5. The health that God has given us to remain on the mission field.
6. The influence we can bring to other churches in the area of the missions and in the evangelistic work of the local church.
7. The birth of Aria Grace Eden Amoros, our first granddaughter. Praise the Lord!

During the last months of the year throughout the Caribbean, we had to face the hurricane season, an extremely dangerous and rainy time. On November 3, 9 people died and 16 disappeared in Santo Domingo due to the heavy rains of Hurricane Nichole. In spite of this, we have kept ourselves very busy, producing and harvesting fruits of salvation.

The Lord has blessed us with some entire families that have been saved and are gathering together: the Francisco family and the Lebrón family, together adding 9 people to our congregation. We have learned that during hurricane times, it is good to concentrate our evangelistic efforts near the church building. By the grace of the Lord, several people have been reached with the Gospel in this sector. Some have been baptized and are regularly attending church.

In November, we celebrated our 21st anniversary; it was a very special time, because we celebrated it in our own place. The Lord has been good in providing everything necessary to give us the property that we were needing.

Please continue to pray for us and our desire is to continue investing in missionary work so that other churches can be established and the Gospel of the kingdom can continue to grow on the earth.

Prayer Requests:

1. Pray for the families we have reached with the Gospel.
2. Pray for our physical and spiritual health.
3. Pray for the growth of our missions program.

In the love of Christ,

Andres R. Amorós
