

November 2022

Friends and Supporters,

Let me please begin by thanking you for your support and prayers for these years we have served in Thailand! Last month, we had quite a few saved and baptized, all to God's glory!

In just one week, we will begin our School Campaign. I cannot begin to tell you how exciting this time of the year is. We are praying for a large harvest of souls for His kingdom! We know that He came to seek and to save that which was lost, and we are asking God to use us to help this most important cause of Christ!

Please pray for our furlough, which we will take for three weeks (one week in Mexico and two weeks in the U.S.). We haven't been able to take a furlough for the last five-plus years.

If you would, please pray for my mother-in-law, as she will receive her test results on Wednesday from the scan that was done a few weeks ago. Thank you so much!

We wish you a very Happy Thanksgiving and pray that God will give you a very Merry Christmas and a Happy New Year!
