### Latin American Ministries and Beyond Update

Dear Friends,

Thank you so much for your faithful support of LAMB and the Annabel de Vallejo Home! Thank you also for your love and care for Robert and Joy Murillo and the ministries that God used them to start. We are so grateful for the many souls that were saved and continue to be saved because of the selfless love, example, and investment of these great servants of Christ!

Fundamental Baptist Missions International (FBMI), a ministry of First Baptist Church of Hammond, Indiana, is now helping process support for LAMB and its associated ministries. To give online, simply scan the QR code and select the appropriate account. Traditional checks should be written to FBMI, with 9020 (LAMB) or 9022 (Annabel Home) in the memo. You can also subscribe to future

updates, set up recurring giving, and more by visiting the FBMI website.

I am so thankful that God continues to allow LAMB and the Annabel de Vallejo Home in Mexico to move forward for His glory! Please enjoy the following recent update from Mrs. Hannah Murillo Sorto.

#### From Hannah's Heart

*"We have heard with our ears, O God, our fathers have told us, what work thou didst in their days, in the times of old."  
(Psalm 44:1)*

Dear Pastors, Friends, and Brothers in Christ,

We send you a fraternal greeting in the love of Christ, hoping that when you receive the following letter, you will be very well.

The reason for this letter is to thank you for your prayers, support, and attention to us over the last few months and also to send you a report of what is currently happening with our ministry.

After the loss of our mother, Rebecca J. Murillo, and previously our father, Robert Murillo, we have been working on different procedures in Mexico related to the Annabel de Vallejo Home and also the family's personal procedures. God has been good to us. Even though we were not prepared to lose our parents so soon and take the leadership as a family of

home so that generations that love and serve God continue to be raised.

Everything we do would be impossible without your prayers and your financial contributions. That is why we thank God for all your help. If you have any questions, do not hesitate to send us an email, and we will contact you immediately. We ask you to please help us pray that all of the legal procedures we are carrying out at home will be resolved as soon as possible, thus allowing us to continue with all of the plans we have.

We thank you again for all your support. Please continue to pray for our family. May God, by His grace, continue to use us.

Sincerely,

Hannah Sorto

the ministry that my parents founded, God is training us and putting in our way people who are advising us and supporting us in many things. In our hearts lives the example of how our parents prayed and worked hard for the home to continue, and that is exactly what we are trying to do.

We apologize because we are aware that in recent months, we have not frequently reported to you what is happening, but we have been going through a long process to put all things in order. Our desire is to be as complete as possible so that all your support is used wisely and correctly. God has given us a work team that, by the grace of God, has the same vision and shares the same goals, all of them related to caring for, educating, and equipping all the children who are a part of the
