January 2023

Dear Friends and Supporting Churches,

" . . . Lift up your eyes, and look on the fields" (John 4:35)

We hope all of you are doing well and that you will see God's hand working in your ministries during the year 2023.

Thank you for your prayers for our five-day, military-evangelistic effort here in November! The Guatemalan army generals had us teach on specific subjects, so we were not able to run the program our own way. However, the event was a complete success, so the door has now been opened for future opportunities there. Praise the Lord!

Also, during that same week we were able to hold a three-day evangelistic event in the evening hours at our new work in El Jocotillo. Dozens were saved during that campaign, and several of those saved were baptized. Thank you, Jesus!

In the interest of starting more fundamental churches here, I am working on a plan to open a Bible institute in order to train pastors and missionaries to labor in this harvest field and beyond. I will give more details about this in future prayer letters, but please pray about this!

The vehicle on which I depend to carry out my day-to-day activities here has broken down and needs major engine repairs. Please pray that God will provide and that we can fix the car soon. Thank you!

In Christ,

Angel & Noemi Lopez
Guatemala

"They that sow in tears shall reap in joy" — Psalm 126:5
