Friends and Family,

It was 14½ years ago that our family joined Team Thailand, sent out of the First Baptist Church of Hammond, Indiana. Dr. Mark Bosje led us as we started First Baptist Church Nawong. One of the converts, reached by Jim and Viki Boyce (who, by the way, everyone they visit turns to gold—example: Noina) was Bro. John Worawech Pariwat. He has been our translator for many years, and I have personally seen the struggle back and forth between flesh and Spirit to serve or not to serve God.

A few months ago, the Holy Spirit called Bro. Pariwat to Mae Sai, which is near the Burmese border. He is doing a terrific job. I trust you will join me in praying for him, and if you could help with some initial startup costs for chairs, that would be a blessing. Chairs are \$7.00 each, and he needs about 20. We help him every month with a salary, but he could use a little boost for startup costs.

May God bless you. I have attached his update.

Thank you so much!
