

# THE HESELSCHWERDT FAMILY MISSIONARIES TO EAST AFRICA

## TESTIMONY OF THE MONTH

January 2023

My name is Lewis. I am a scout at Friends of Karura Forest – Nairobi, and conserving the natural resources is my day job. On the 15<sup>th</sup> of August 2022, I vividly remember this day because there was a major happening specifically in my country of Kenya, since the results of the general elections were being announced. I was on duty on this particular day despite the fact that there was tension all over.

It's normal that whenever election results are announced, there must be chaos. I was going over my pocket Bible, Gideon's version, when I met Brandon, who was at the park. He asked me if I had time so he could share the good Gospel of Christ with me. I didn't hesitate and said yes. After sharing the good Word of God, I confessed that I was a sinner and that I was trying to find life in other people and myself, thinking that the works of my hands and brain would save me, but I was wrong. After hearing the truth, I acknowledge that He, God the Father, sent Jesus Christ to die on the Cross so that I could be saved from my sin and have eternal life. I committed to living for God instead of others.

Major happenings of success that have happened to my life since receiving salvation are . . .

1. Earlier, I had work-related problems, arrival/departure time, since I used public transportation more often. I was never relaxed, but stressed at all times. Another issue was that making or receiving official communication faster was hard because I didn't possess a smartphone. Afterwards, I prayed at home because I now knew Whom to fully rely on and ask for help whenever in need, my able and almighty God. I had a list consisting of these things. I prayed in November 2022; and, to be honest, I'm glad to testify that on January 10, 2023, I had capacity and acquired a mountain bike and a smartphone. Glory to God!
2. Initially, I wished and wanted to own my time since I've been scheduling time and plans to be reading the Bible more often, but surprisingly, it happens that every now and then, I procrastinate. I'm happy to testify that since I received salvation, I spend almost all my off days dedicating 1½ to 2 hours to Bible study and getting closer to God. I've gone through all of the levels of the *Foundations of My Faith* discipleship series, which I'm really positive about the teachings I get from them. I'm grateful for fully relying on Jesus Christ as my personal Savior, because He never fails when I'm in need. Glory to God in Heaven!

Lewis
