

May 2023

Greetings Pastor and Church Family,

I trust and pray that everything is going well with you all. I apologize for the delay in writing an update. It has been a busy year so far with a lot of activities, but it's incredible to see how God has been working here in our church. Our pastor, Pastor Adolfo Lima, set a goal this year of having a big day each month, being that this year we will be celebrating 20 years as a church family. God has been blessing greatly, and in almost every service this year, we have seen at least one or two visitors. Each month, we have seen great results. This past Sunday, we celebrated Kids' Day, with over 600 in attendance, about 200 of which were first-time visitors. Please pray for us as a church, as we are looking to buy more land on which to expand the church, primarily in order to build a bigger auditorium and dormitories for the Bible institute.

We are also happy to inform you that we have now received all of the documents necessary for my family to travel, and we will be returning for a short visit at the end of May to visit our sending church and to spend time with my family, who has yet to meet our daughter. Our current plans are to return in January and February for an extended period time to report to our supporting churches and to raise more support. If you would be interested in our visiting you all during this time, please feel free to reach out, or if you know of anyone else who would like us to visit, please let me know.

Thank you for your continued financial support and prayers. We look forward to seeing everyone soon. We pray that God will continue to use you in your area as He continues using us here in ours.
