

THE KEO FAMILY

MISSIONARIES IN CAMBODIA

March & April 2023

Dear Pastor and Church Family,

"My help cometh from the LORD, which made heaven and earth." (Psalm 121:2)

As you read this letter, our family will be in the States for six months. As I mentioned in our previous letter, our second-oldest daughter Priscilla will be going to Bible college this fall. Please continue to pray for her as she is transitioning from the mission field to the States for Bible college.

At our church, I teach once a year about soul winning. I have soul-winning kits that have demonstrations, words, and pictures on them. I give each of my church members one kit to use to lead people to Christ. We have a lady by the name of Yeth who does not read or write. She used my soul-winning pictures to lead her eight-year-old son to the Lord. He recently got baptized with his grandmother, who had been saved many years but had not been willing to get baptized.

Also this month, we had the opportunity to perform a Baby Dedication for a fine, God-loving couple during our Sunday night service. The baby's name is Abigail, and the parents' names are Lida and Aylinh. We are so grateful for this family.

Please pray for our safety, as we will be traveling to many meetings in the States. Thank you for your prayers and support. God bless you.

For Christ's sake,

Kounaro, Chorvy, Priscilla, Christina, & Jonathan Keo
