

LARAE HOFF

March & April 2023

Dear Prayer Warriors,

Praise the Lord for seeing His handiwork in the beauties of spring. Thank you for your prayers and financial support while I continue my deputation.

I started March off in **Palm Harbor, Florida**, at a Missions Conference. I spoke about missions with the children's class on Wednesday evening and about something that Florida and Ghana have in common—seashells—to the little ones in Sunday school. I was blessed to give an update and meet new members in **New Port Richey**. I continued in Florida by talking with the teen girls and sharing my video with the folks in **Winter Park** and talking with the children's church in **Quincy**. I ended March by sharing about the ministry in Ghana with the members in **Washington, Illinois**.

I **praise** God for churches in Florida and Tennessee that gave recommendations so I could **fix the brake problems** on my vehicle. It has been **wonderful to go out** visiting and soul winning with many pastors' wives and faithful church ladies.

Learning the books of the Bible on the bus in Wisconsin

I started April in **Athens, Tennessee**, and shared my testimony with their members. I had the privilege to speak about missions to the students at the Athens Public School Bible Club. Easter morning, I was blessed to **go to a church with my sister-in-law** in North Carolina. I was also blessed to be able to share an update at two supporting churches in **Canton** and **Leicester** and see new folks there. The following weekend, I was able to help on a bus route in **Stevens Point, Wisconsin**. I spoke with their teens in Sunday school and the children in Junior Church. In the evening, I talked with the adults about Ghana. At a

Missions Conference, I shared about the ministry with the adults on Wednesday and spoke on Thursday with the children and teens in **Chambersburg, Pennsylvania**. I concluded April in South Carolina. That Sunday, I was in **Walterboro**, where I talked with the young people in Sunday school about missions and shared my presentation in the evening. In **Moncks Corner**, I gave my testimony to their adults at prayer meeting.

Would you join me in **praying that God would send me to the churches** that He wants me to partner with. Thank you for your faithfulness.
