“Starting churches and training preachers in the Dominican Republic”

June 2023

Beloved Brothers,

With all my heart, I wish that the blessings of our great God would continue to pour out on each one of you. By the grace of the Lord, we were able to celebrate our annual conference, “Missions Through the Local Church.” **This year, we had the largest attendance of missionaries, pastors, and leaders in all the years we have celebrated it; more than 15 local churches were represented.** Pastor Daniel Cerda from the Arkansas Baptist Church came to preach to us.

We praise God for everything learned and for the good spirit and decisions that were made during the conference this year. Extending our missionary outreach program, **we have decided to support and invest in one of our brothers who will be dedicating himself to taking the message of Christ to the prisons of the country. Please pray that God would protect Brother Luis and that many prisoners would accept the Lord as their Saviour and be transformed with the power of the word of God.**

The past months have been characterized by an unusual increase in temperature throughout the island. Despite that, we were able to have our first great evangelistic program, where I involved the entire church in bringing visitors to hear the message of salvation. **Since our last letter, we have had 46 souls saved.** Despite the intense heat and burning sun of the Caribbean, there are always some who keep preaching the Gospel house by house to fulfill the mandate of the Great Commission.

One of the great blessings that my wife and I received in these past months was the ordination of our youngest son, Caleb Josías, as an evangelist. He was born when I was a student at Hyles-Anderson College, and now he had been ordained under the ministry of First Baptist Church of Hammond, Indiana, the church where he was born. In June, Caleb came to the Dominican Republic with our pastor, John Wilkerson, and other pastors and brothers. They came to preach in several churches. Hundreds of young people, children, and adults were saved, according to the report they gave us. It is a great satisfaction to see our children serving the Lord in the ministry. Glory to God!

I beg you all to pray for consolation for my beloved wife. Her father was diagnosed with cancer, and we had to travel urgently to Honduras, Central America, to find him alive. We were able to spend a week with him before he died. The Lord is good and merciful. I led him to the Lord years ago. I also had the honor of preaching in the funeral home and in the cemetery, where some were saved. Praise the Lord for the hope of eternal life.

**Prayer Requests:**

1. Please pray for our health.
2. Pray for wisdom in our ministry.
3. Pray for new believers to grow in faith.
4. Pray that the Lord would use our son, Caleb Josías, with great power.

I say goodbye, thanking you again for your prayers and your investment in the Gospel of our Lord.
