Friends,

To preface this email, everything in the body of this email is a testimony of how amazing God is—He deserves all the glory!

I am just a voice! In July 2008, First Baptist Church of Hammond sent us here to begin our lives as God's servants as part of Team Thailand. In 2010, we started our first church. To date, God has allowed us the privilege of starting churches in Bangkok, Pathum Thani, Buriram, Cambodia, and Myanmar. We have preached the Gospel to an untold multitude and have seen an amazing number of people saved.

God has given us 15 wonderful years here in Thailand, and we are praying that God will continue to allow us to serve here with physical strength, financial support, and, most importantly, His power! Thank you for being a part of our ministry here in the Kingdom of Thailand in the 10/40 Window.

I could attach a million pictures, but I picked two of my favorite ones for this update.

God bless you!
