

THE TIRADO FAMILY

TO PUERTO RICO

August 31, 2023

Dear Pastor and Praying Friends,

PRAISE

“Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ.” (Philippians 1:6) We are pleased to report to each one of our supporting churches of God’s blessings on our lives and ministry.

Just last week, the permit to use the building we rent to hold our church services was approved. The permit covers authorization from the firefighters and the health department. We now need to get the water authority, a government agency, to turn on the water. Much work and prayers were needed to get this permit approval.

Since my last prayer letter, I preached a Sunday evening service in a local Baptist church. It was a blessing to be used of God to minister to His saints.

PRAYER

Please pray for souls to be saved, both in our services and through our personal soul winning. Please pray that the water in the church building will be turned on very soon, as the permit was one of the requirements of the water authority.

GRATITUDE

Thank you for all your kind messages and cards in remembrance of our 36th wedding anniversary and Angela’s birthday. Thank you for your faithful prayers and financial support, which enable us to serve Christ in Puerto Rico.

Continuing to serve Christ faithfully in Puerto Rico,

Roberto Tirado
