

September 2023

Friends,

Thank you for your continued prayers. I have attached a report from John on the Burmese border. We will be going to Buriram on September 30 for a special service, where 200-plus people are expected to attend.

Chan is doing an amazing job in Cambodia. Every day, Chan goes into a public school and discipled the kids who have gotten saved. What an amazing ministry this is! I like to think of it as a small Bible college.

Chatchai and the First Baptist Church of Sam Khok are doing amazing! The anniversary is September 24, and we are very excited about that day!

You can see one video of the school here:

May God bless you richly!
